#### **Change of Enrolment Form**

- 3) I need to seek advice from DHA abut any possible implications for my student visa, for instance, a longer period of enrolment than expected duration may mean that I will need to apply to extend my student visa.
- 4) my course progress may be affected.
- 5) my timetable may change.
- 6) I must return to class when expected. If I do not, my enrolment and CoE will be cancelled as non-commencement and this will put my student visa at risk.
- I understand that I will be issued a new Letter of Offer and a new Written Agreement (WA) for the changes and until the signed WA is received by the Admissions
  - 1) the process of the request will not be finalised.
  - 2) new CoE will not be issued which could lead to my student visa at risk.
